

PER I TURISTI STRANIERI: GUIDARE IN ITALIA

- **PARKING/GARAGING LPG-FUELLED VEHICLES**

Parking/garaging of LPG-fuelled vehicles (conforming to ECE/ONU 67/01) in closed buildings is allowed only at above-ground floors of covered car parks and first underground floor of underground garages.

LPG / METHANE FILLING STATIONS

Information on the network of methane filling stations is available at dedicated websites such as <http://www.federmetano.it/home.php?id=4> (click on the Region to get full list with relevant details).

As regards LPG, it is suggested to use an Internet search engine entering the wording "Guida distributori GPL".
